Mass Intentions Scheduling & Tracking Software

Copyright Clar Software Services, LLC ©2008-10. All rights reserved.

Our Mass Intentions Scheduling & Tracking Software (MIST) enables the **EASY** computer entry, **automatic scheduling** and tracking of all Mass intentions. The paper-based Mass Calendar is replaced by a single, up-to-date, flexible Mass Calendar database that can be shared by all designated staff from their own computers. Intention Requests may be scheduled automatically or manually. **MIST** is the **one and only** full-featured, purpose-built software for managing Mass intentions.

Please look at the sample data entry forms and reports by going to the following web page:

www.Mass-Intentions.com/samples.htm

The **price for the software package is only \$195.00** for the first computer, \$45 for each additional computer (no additional support or licensing fees) **and includes:**

- assisting you in setting up your software on your computers and servers
- free telephone and email support.

Obtain a no obligation full-featured "**demo**" version of the **MIST** software to review on your own computer by going to: www.Mass-Intentions.com/requestdemo.htm or by calling 928-541-1287.
